**Safety and Emergency Procedures for DMACC**

DMACC has active Safety/Building Captain Teams that represent all staff and facilities within the college. Committee members are comprised of individuals with the responsibility and authority to act on safety concerns, and are typically Provosts, Deans, Managers and Directors. The Safety/Building Captain Teams are chaired by the Director of Campus Safety & Emergency Management. Safety concerns can be addressed to any Safety/Building Captain Team member, or the Director of Campus Safety & Emergency Management at ext. 6816.
